

Huckleberry Highlights

WELCOME

Dear Huckleberry Families,

Welcome to the Huckleberry Community! This week has been abuzz here at school, as we have been diligently preparing our classroom for the arrival of the children. It has been so delightful to get to meet with each of your families on the playground and spend a little extra time getting to know the children before our return to school next week.

We are looking forward to our third year together in the classroom. We both have a deep love of working with toddler age children and delight in the work we do. Our classroom is filled with lots of laughter and fun! We can't wait to work with this year's Huckleberry Helpers!

Our schedule is very different than any of the other classrooms on campus, as we are aware that many of our students will be coming into a classroom environment independently for the first time. We ask that you please re-read our orientation and slow start schedule carefully to make sure you know when your child's time to be at school is. We appreciate your understanding in allowing us a bit of extra time to settle into the classroom with the children.

Just a reminder that back to school night for our classroom will be Tuesday, September 6th at 7:00pm. Our back to school night will be an adult, in-person event and we will meet in the Huckleberry classroom. We hope you all have a wonderful holiday weekend and we will see you Tuesday!

Warmly,

Elizabeth and Chasitty
