

Montessori Every Day

Join us for our first parent education event of the school year!

In a round robin model, the staff will share how the child, the adult, and the environment work together to support the growth and development of everyone in the family.

Each session will begin with a presentation by the teachers, followed by discussion and a question and answer period. Everyone will have the opportunity to attend each session.

When:

Thu, October 6

7:00 pm: Welcome in the Commons

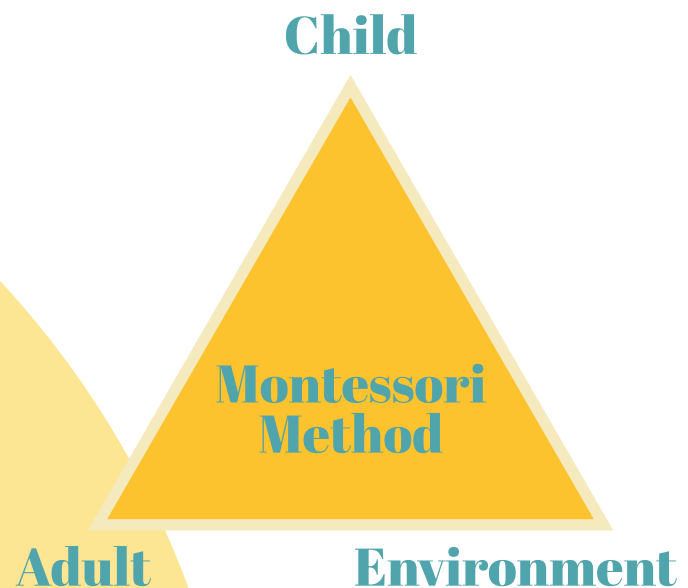

7:10-7:30 pm Round 1

7:40-8:00pm Round 2

8:10-8:30pm Round 3

Where:

Montessori Country School

The Child: Explore the work of the child at each stage of childhood. If we view the work of the child as a journey to independence, how does problem-solving and friendliness with error play a role? How can we, as parents, give freedom with limits in order to allow for the full potential of the growing child?

The Prepared Adult: What attitudes and perspectives can we bring to our parenting that support us in seeing parenting as a partnership with our child? What obligations and expectations can we let go of to give us the chance to parent with grace and joy?

The Supportive Environment: We'll look at concrete examples of ways for you to set up your home for independence and collaboration. From preparation to ease heading out the door in the morning to strategies for fostering intrinsic motivation and willing participation in the life of the family, we hope to give you simple and easy ideas to take home.
